21. Int. Winefair Innsbruck

Tasting, enjoying, experiencing & shopping: Since 2000, the Innsbruck Wine Fair has been one of the most important platforms for discerning wine connoisseurs. With a corresponding high-quality preventive concept, the Innsbruck Wine Fair wants to prove that fairs are possible, even in difficult times.

The wine experience in Innsbruck is characterized by success & steady growth. Since 2012, visitors have more than doubled! Even in the difficult Corona year 2022, the fair was able to almost resume the original success after the forced break of more than 2 years & despite some restrictions in April.

Your benefits at a glance:

- **Trade fair concept suitable for winegrowers with various possibilities**
- **Professional trade show support and handling**
- Optimal all-round service for you as an exhibitor:
Our team will constantly supply you with clean wine glasses and mineral water
- Goal for our exhibitors: new customer acquisition & regular customer care
- Direct sales at the fair
